## 17 Amazing Online Stores Stocked With Lighting for Your Whole Home

It's electric!

BY [BRITTNEY MORGAN](#) JAN 16, 2020

It doesn't matter if you're on a budget or you're looking for some serious high-end style, the perfect lighting for your home is out there, and you can almost certainly buy it online. [Pendant lights](#), chandeliers, [table lamps](#), architectural fixtures—you name it, it's out there on the web, waiting to be bought and installed. But if you're shopping for new lighting for your home and you're not sure where to start your search, we've got you covered.

These stores have great online presences *and* abundant lighting inventories, whether they're brands dedicated solely to lighting or just-so-happen to have incredible lighting sections stocked with interesting and stylish pieces. From your usual budget-friendly stops like [IKEA](#) and AllModern, all the way to designer-favorites like Circa Lighting and Arteriors, here are some of the best places to shop for lighting online.
